Credit Guide

This Credit Guide contains important information about us, the services we provide and the activities of the credit representative operating under our credit licence. It also contains:

- information about fees and charges that may be payable by you to us
- commissions that we may receive when we are acting as a credit representative
- commissions that we may pay to third parties for introduction of business, and information about what you should do if you have a complaint or dispute regarding our services and activities.

We are required to provide this document to you as soon as practicable after it becomes apparent that we are likely to provide credit assistance to you. We provide "credit assistance" when we:

1. Suggest or assist you in applying for:
 - a. a particular loan with a particular lender;
 - b. an increase to an existing loan with a particular lender; or

-
2. Recommend that you remain in an existing loan contract.

Preliminary Assessment

Prior to providing credit assistance to you, we must assess whether the particular loan is “unsuitable”. A loan will be “unsuitable” based on the information you provide to us if:

1. You will be unable to repay the proposed loan or will only be able to repay the proposed loan with substantial hardship; or
2. The proposed loan does not meet your requirements and objectives.

We are required to document our findings that the proposed loan is not unsuitable by way of completing a Preliminary Assessment. The Preliminary Assessment will set out your:

- requirements and objectives;
- financial and relevant personal situation; and
- ability to repay the proposed loan repayments.

We are also required to take reasonable steps to verify information provided by you to us. This verification may include:

- requesting you for copies of documents that demonstrate your financial situation - in some cases we may also need to sight original documents; and
- contacting third parties to assist in verifying the information that you provide.

Obtaining a copy of the Preliminary Assessment

If we provide you with credit assistance, you may request a copy of our Preliminary Assessment anytime for up to 7 years and we must provide you with a copy of the assessment within the following timeframes:

Your request is made:	We will give you your assessment:
Before the Credit Day*	As soon as possible after we receive your request
Up to 2 years after the Credit Day	Within 7 business days after we receive your request
Between 2 to 7 years after the Credit Day	Within 21 business days after we receive your request

*The Credit Day is the date the credit contract (i.e. the loan) is settled or the loan amount is increased.

There is no charge for requesting or receiving a copy of the Preliminary Assessment.

Fees and charges that are payable by you in relation to our credit assistance

We may charge a fee for providing credit assistance to you. If applicable, details about those fees payable by you will be set out in a Credit Quote which we will give you prior to submitting your asset finance application.

Other fees and charges

You may have to pay other fees and charges (such as application fees, valuation costs and other applicable fees) to the lender or other parties. You should review the particular asset finance contract documentation for further details of any such fees and charges.

How I get paid

We only receive a commission if your asset finance facility is settled. The commission is paid to us either directly by the lenders or paid to us by our aggregator for which we act as the credit representative in providing credit assistance.

The commission is based on both the total amount financed and the particular loan product you have selected. We may receive the following commissions after your loan has settled.

Type of Commission:

Commission or Brokerage Fee (Paid after settlement)	Ranging from a minimum 0% to a maximum of 8% depending on the type of credit contract and calculated on the total loan amount financed including GST.
---	---

The method of calculation is based on the net amount financed including GST. Details of commission and/or brokerage to be received will be included in the Summary of Requirements and Credit Proposal document that we will provide you with when credit assistance is provided.

From time to time, I may receive a non-commission benefit by way of training, professional development, entertainment, gift, conference attendance, sponsorship, or entry into a competition run by a lender or my aggregator, at no extra cost to you. The nature of such arrangements are temporary, and the occurrence and amounts are often not readily ascertainable, however if they are apparent as a result of assisting you with credit assistance, this will be disclosed to you.
